SEVERE WEATHER RELEASE FOR HOSPITALIZED AND BOARDING ANIMALS

I hereby understand and agree that there are risks associated with leaving my pet at VCA Kingwood Animal Hospital, (hereafter "Hospital") in severe weather situations. I understand and agree that by leaving my pet at the Hospital, I am assuming certain risks, such as the possibility that my pet is injured or killed either directly by the severe storm or indirectly as a result of the severe storm if, for example, the Hospital loses its ability to provide adequate care to my pet (e.g., from loss of electricity, water, or inability of staff to go to work).

I understand and agree that the Hospital **STRONGLY RECOMMENDS** that all pets under VCA's care during severe weather have a microchip to ensure their safe return.

- Pet is already microchipped and registration information is current
- Accept Microchip (cost is \$39.99 which includes registration)
- Decline Microchip, although I understand that it is strongly recommended
